GACarver, Jr.

Thank you for the loan of the Clay report which I am returning herewith. The Director called a few minutes ago to say that he wants me to accompany him to the White House meetings today (Monday) on Cambodia and Wednesday (9 June) on the Vietnam assessment, but that he is asking you to accompany him to the meeting on Tuesday (8 June) which will deal with Laos and, presumably, the matters raised in the Clay report. I will be seeing Laird today and will call you as soon as I get back if anything comes up that would be useful for you to know prior to the White House session on Laos.

George A. Carver, Jr.
Special Assistant for Vietnamese Affairs
